| 2016 | Sask Summer Games – Men Recurve Individual Competition | 1 st |
| 2016 | Sask Summer Games – Mixed Men Team Event | 1 st |

My goals for the games

To have the best experience possible and shoot to the best of my ability.

My personal best result in my event

2018 Archery Canada Target Championships – Men Cadet Recurve placed 1st and tied the Canadian Record for 720 Round.

Awards or major accomplishments that I have received

I started archery when I was 2 years old in 2003. When I was 4 I received my 1st compound bow. I told my mom and dad I was going to go shoot a bird, they said sure. I came back with a bird about 10 minutes later hanging on my arrow and have not quit shooting.

I shoot a compound bow for 3D and hunting and my recurve bow for competition and field. I started shooting a recurve 5 weeks prior to the Sask Summer Games in 2016 and won gold in both events, individual and team.

Hunting – shot 1st whitetail deer with my bow in 2016. 2017 shot my 1st Mule Deer with my bow hunting with my dad for a double header.

My personal role model

Crispin Duenas – I was able to meet and shoot with him in the summer of 2018. He is an awesome role model because of his shooting ability and calm and relaxed attitude.

My sister, Jade because I want to follow in her footsteps of going to the Canada Games and hopefully get the opportunity to go to Junior Worlds as she did. My sister shot with Crispin at many National Championships.
