My goals as a manager

My goal as manager is to support our athletes during their competition at the games and help them to have the best possible experience at the games. It is a once in a life time opportunity and they have worked very hard to have the opportunity to represent Saskatchewan. I am very fortunate to be able to share in their experience.

My goals for the games

Provide the best possible experience for our athletes attending the games.

Past JOP Coordinator for Saskatchewan for a number of years.
Board member of Archery Canada's coaching committee in developing Instructor Intermediate context and part of the Competition Development context.
Medalist in Archery Canada Target, Field and 3D Championships in the past.
Our family, Ken Chipley, Jade Chipley, Hunter Chipley and myself have all participated Canada Winter Games. Ken as coach for 2007 & 2011 Games, Jade as competitor in 2003 & 2007, and Hunter 2019. It is truly addicting. LOL

My personal role model

Archie Lovelace, past Sask Archery provincial coach for many summer and Canada Games. Archie developed and coordinator the Sask Archery JOP program for many years until his retirement. I along with my husband Ken Chipley were very fortunate to be mentored by Archie in the sport of archery.
Gib Henderson, for his countless years of dedication and commitment to the sport of archery. Again, we were so fortunate to be able to learn and acquire Saskatchewan's history in archery from Gib.
