

Saskatchewan Archery Association Inc.

Athlete activity report

This report is to assist the SAA executive in reporting detailed information to Sask Sport or the provincial government as part of our funding requirements. This report should be filled out immediately following any activity that involves the sport of archery and sent to the SAA along with athlete's application for funding. You should file this report if you are a Team Sask member (cadet level & above) and have participated in any Provincial/ National/ International archery events.

Date: _____

Event: _____

Location of event: _____

Name of participant: _____ Person filing report: _____

(Describe the event and your experience at the event, how did you rank amongst other competitors, etc)

Please complete this report for each event attended and submit with your athlete funding application.
