Why and when did you get involved in archery? My parents were both bow hunters when they were younger and one day my dad took me to a local archery range in Regina and it stuck.

Hours of practice per week: 20

Athlete's Bio

Archery Goals:

Short Term Goals: within the next year I would like to attend the Youth World Championships, the USA JOAD Championships, and the Canadian Championships. At all of these events I would like to shoot to the top of my ability while making new friends and reuniting with old ones.

Long Term Goals: within the next 5 years I hope to see myself at the world stage more often than once every 2 years. I hope to attend multiple world cups and be on the 2020 Olympic team heading to Japan.

Major Canadian Tournament Results: Canadian National Championships

Event: Recurve Target

Year: 2011-2013 gold in outdoor, 2014 bronze in outdoor, 2011-2013 Gold in indoor

Division: 2011-2012 cadet, 2013-2014 junior

Records Set / Held (division, score, year, place): 1440 70m record (cadet recurve, 322, 2011, Saskatoon) Field open and Field CC (cadet recurve, 340, 2011, Saskatoon)

Other Athletic Interests & Accomplishments Outside of Archery: Love to play football, racketball and ultimate Frisbee; as well as swimming and mountain biking.

Personal Interests & Accomplishments Outside of Archery: I am a student and spend a lot of my time trying to prepare for my future however if I can manage to squeeze in a few minutes of down time I enjoy playing the odd console game.
