

High Performance Eligibility Requirements

The listed scores below are the standards set for applicants. Applicants should have met or be close to meeting at least **ONE** of these categories in the current year (cadet level or age appropriate whichever is greater). In the event that athletes have not yet met the listed standards, but believe they will in the next 12 months, we would encourage them to still apply as they will have the opportunity to achieve these standards during the upcoming season.

Deadlines for application submission will be set for October 31st but we encourage any interested athletes to apply as soon as possible.

Category	Indoor FITA I (40 cm target)	Indoor 3D (40 / 80 Target Round)	Outdoor Target (720 / 1440)	Outdoor 3D (40 / 80 Target Round)
