IANSEO - membership lookup

Is your membership up to date? Need to know your SAA # ?

[Lookup your # online through the ianseo registry](#)

Club Officers and Directors

Clear communications is key to the success of the SAA and its member clubs. Keeping the SAA up to date and to ensure we are corresponding with the appropriate person at your club level ... remember to update and submit your [club affiliation and renewal form](#) once your directors and officers are in place for the year.

The SAA maintains a club contact list, posted on the website, for any outside parties interested in contacting your clubs. Typically officers have been listed as the primary club contact. Please advise the SAA Executive Director of any required changes to this contact list.

Club Reporting of Guest Attendance

It is the responsibility of SAA affiliated clubs to record and report the number of guests who attended clubs in the past year. This is in compliance with the SAA guest policy that aligns with the insurance regulations in place with our agreement with Archery Canada.

Ensure your club executives are up to date. More information can be found by visiting the [SAA policies and procedures \(pages 18-20\)](#)

MAP Grant available to member clubs.

Your club representative should have already received notification and access to the grant guidelines and application.

Don't miss the December 31st application deadline.

[Guidelines and Application](#) available online

Interested in becoming a Local Judge

[More information and tests](#) are available through the Archery Canada website.

Once tests are completed the Provincial Judge Co-ordinator will evaluate the answers. A normal pass mark is 80%.

In accordance with the Archery Canada Operational Plan, all clubs must include the name of at least two qualified safety officers or club-level judges in order to receive liability insurance.

2016 Scholarship Recipient

Congratulations to this years scholarship recipient, Sydney Clark. Sydney is currently enrolled at the University of Saskatchewan - College of Kinesiology.

Thanks to the generous donations of archers and friends of archery in the province, the Saskatchewan Archery Association has a yearly scholarship available to a youth member who is enrolled in or entering a post secondary institution.

More [Information](#)
[Criteria and Application](#)

Invest in Youth Archers

We encourage those of you who have benefited from sport or those who believe in the value of sport to give something back to current and future generations.

We hope you will join us in this effort to make education more affordable by supporting our scholarship fund. Following is a link to print the contribution form so you can participate in this worthwhile project.

[Donation Form](#)

[More Information](#)

All donations made part of the Sport Legacy Fund through Sask Sport are tax-deductible and acknowledged by the Saskatchewan Archery Association Inc.

NORTH AMERICAN INDIGENOUS GAMES

The North American Indigenous Games 2017 will take place in Toronto, Ontario from July 16-23, 2017.

Talent Identification and Team Selection will take place over the next few months.

Interested in participating? Fill out and forward the [Intent to Participate](#)

Coaches Clinic

The next coaches clinic will be held in December for those participants who have pre-registered

Interested in attending the next clinic please [put your name on the wait list.](#)

Respect In Sport - an important part of your club structure

Did You Know ?

RESPECT in SPORT is a mandatory requirement for SAA coaches and volunteers working with youth archers. The program is available online and easy to do and we think you will find it beneficial for any of your club members. We encourage you to let your club members and parents of club members know it is available to them ... free of charge.

[More information and login instructions here](#)

Membership with the SAA includes General Liability Insurance Coverage

The Federation of Canadian Archers (Archery Canada) automatically includes all member clubs in its "General Liability Insurance" program.

A Club, Association, or Member may obtain the benefit of this program but only if they are in good standing. The insurance provided is another example of the Federation of Canadian Archer's response to the needs of Archers in Canada. This coverage is primary which means that your homeowner's policy will not be affected should an archery-related claim be brought against you.

For complete insurance details go to [Archery Canada Insurance Summary](#)

Property Coverage Insurance now available to SAA Affiliate Clubs

Attention SAA Affiliate Clubs

BFL Canada has finalized documents that will allow affiliated clubs to obtain various coverage that is not part of the current Archery Canada General Liability and Directors & officers programs.

Informational brochure

Question can be forwarded directly to BFL, their contact is:

Roxanne Jobin

rjobin@bflcanada.ca

800-465-2842 X 1335

This is a stand-alone policy that clubs can take advantage of but this is an "offer only" from the SAA. Clubs will work directly with BFL to discuss their additional coverage needs.

Note: these documents show that the policy will expire on January 1, 2017.

If a club needs to obtain coverage before that date, BFL will pro-rate the premium. Clubs can email the application form to BFL and they will respond with the amount payable.

Later in the year, a new mailer will be sent to all clubs so that they can purchase an annual policy if they need one.

[More Information on team funding criteria](#) (page 40)

Two Saskatchewan Archers going to Worlds in 2017

Erin McGladdery and Tyler Moore have qualified for Team Canada to compete at the 2017 World Archery 3D championships in Robion France in September 2017.

The qualifying process for making Team Canada involved a minimum of 4, max total of 6 shoot scoring percentages. These shoots were registered 3D shoots which could include provincials, registered club shoots and national competitions. Competing at Nationals this year was mandatory for making Team Canada.

Looking to future world competitions these archers will see 2 qualifying events, the 2018 & 2019 Canadian Outdoor 3D Nationals.

The 2019 World Archery 3D championships will be held closer to home, hosted in Lac La Biche Alberta.

Timberland Bowbenders to host the 2019 Outdoor Canadian Nationals Competition

During the 2016 Canadian Outdoor Nationals in Peterborough, Ontario, it was announced that the Timberland Bowbenders Archery Club of Prince Albert, Saskatchewan will be hosting the 2019 Canadian Outdoor Nationals 3D/Field/Target Championships.

The 3 venues will all be located within 5 kilometers of the center of Prince Albert.

Stacey Moran and John Cannon will be the co-chairs for this event.

The Saskatchewan Archery Association looks forward to rallying behind Timberland to help make this event a success.
