# Activity Report

This report is to assist the SAA executive in reporting detailed information to Sask Sport or the provincial government as part of our funding requirements. This report should be filled out and sent to the SAA president immediately following any activity that involves the sport of archery. You should file this report if you are the organizer or course conductor of coaching clinics, officials' clinics, community clinics, or participation clinics or if you are the chairperson of a meeting. If you attend a meeting or similar event as a representative of the SAA you should also file a report.
